

# Gilda's Club Middle TN invites You to join our...

# RED DOOR Society

At Gilda's Club, our goal is to provide a community of support and resources for anyone whose life has been impacted by cancer. Today, three of every four Americans will be diagnosed with cancer and many more are affected than those with the diagnosis. No one should have to face cancer alone. With your continued support, we will be able to face cancer, together.

## Red Door Society Levels

**We need you.** The Gilda's Club Red Door Society honors donors who make an investment in our mission with contributions of \$1,000 or more to the annual campaign (January 1 – December 31). Your gifts provide Gilda's Club with the resources to offer one-of-a-kind support throughout the year at the Clubhouse and in the community. If multiple gifts are given during the year, the cumulative total will be used for recognition. Gifts, including any corporate matches, will be credited to the donor and a year-end statement of giving will be provided.

**Red Door Society Recognition.** Red Door Society pin, listing as a Red Door Society donor in the annual report and on our website, subscription to GildaGram newsletter, invitations to special events, and program updates with the CEO and Program Director.
